Dear Friends in Christ,

The past 2 months have been quite busy here on the Island. Because of so many people being here for vacation from different countries, this year we decided to have our Display Table of Books, Bibles, and Gospel Tracts in different languages setup on the Waterfront on Saturday and Sunday evenings. The Lord provided materials in Italian, German, Romanian, French, Arabic and Chinese languages and we were able to give out a good number of each during the 2 months. We also had a number of visitors that received material visit the Church services. We didn't see anyone saved, but the seed was planted in their hearts and now the Holy Spirit must do His work convicting them of their sin. Many of these dear people we may never see again, but we are praying and trusting God that they will be saved.

September 1st we celebrated the 3rd anniversary of the Church and the Lord blessed. We had 4 first time visitors which listened to the gospel preached and after the services while we had refreshments they asked a lot of questions. One of the ladies that visited has been coming to the services on Sunday night since then we are trusting that we will see Francesca saved soon. We are praying that the 2 men and Maria the elderly lady, will also return and we will see them saved. Please keep them in your prayers.

We were also happy to have Franco and Maria here for the summer. They are a faithful Christian couple that lives in Germany, but has a home here in Mazara in which they come and spend the summer on vacation. They are originally from Mazara but moved to Germany years ago the find work and a good Church so they could continue to grow and live for Christ there in Germany. They were a real blessing and helped us evangelize some of the dear people that they know. They are also good friends with another faithful couple in the church, Pilar and Vito. Please pray that the Lord will use them for God's glory wherever they are.

Linda and I want to thank each of you for your faithful prayers for the ministry here on the island of Sicily. Because of your faithful monthly support we are able to be here to teach and instruct our dear church family in the Truth from the precious Word of God. Please pray that as we continue to evangelize daily here in this 99% Catholic town that we will see souls saved for God's Glory.

May God bless each of you and your ministries!

*In Christ,
Bro. Randall & Sis Linda*
