Greetings from the Jordans,

Since our last prayer letter we have been busy getting dental work done as well as setting up our weekly Bible Studies in the homes that house the homeless that need to hear and be taught the Word of God. Since our last letter, we have added 3 more homes, one of which is a ladies' home. This has been a blessing to Linda and me to minister to them on a weekly basis and see just how they love and appreciate the Word of God being taught to them when NO ONE ELSE would come and teach them. They are waiting on us to arrive every week with smiles on their faces and joy to hear what the Word of God has for them that day. This brings joy to our hearts, and I'm sure it brings joy to the Lord also. We are so thankful that we are not told what to preach or when we must go, but we have FULL LIBERTY to teach directly from the Word of God and use only the KJV. We are not affiliated with any organization, but have complete liberty to teach and preach the Word of God. We praise the Lord for this open door to be used by the Lord to do HIS PERFECT WILL in this ministry HE has given us. We know that each soul that has been and will be saved, our supporting churches will also have a great part in this ministry for the glory of God!!!

We hear from the dear church family in Italy quite often and praise the Lord the church is continuing to see new faces coming to services. Bro. Rice and family finally got their Permesso di Soggiorno (permission to minister in Italy from the Italian government) which is an answer to many prayers.

We want to personally thank Pastor Keith Smith and the Pine Bluff Baptist Church for the Retirement Celebration they gave Linda and me last month when we went to report and share what the Lord has done in the ministry over the past few years and to share the new ministry the Lord has opened for us now. We also had the privilege to report to Pastor Bruce Smith and New Hope Baptist Church.

While sharing the ministry with Bynum Baptist Church, the Lord blessed in the service and a 13-year old young man named Trevor Ellis came forward in the invitation and accepted Christ as his personal Saviour. Please keep Trevor in your prayers as he grows in the Lord and seeks to please the Saviour with his new life in Christ.

We trust each of you had a wonderful Thanksgiving, thanking God for all your blessings!!

In Christ,
The Jordans
