Dear Friends in Christ,

We want to take just a minute to thank each church and individual that sent us Christmas cards, personal letters, as well as gift cards and gifts of money. We want you to know that each was such a blessing. Thank you for your love and prayers for us and the ministry the Lord has given us with the Homeless and ex-drug addicts and ex-alcoholics.

We had Christmas services in each home before Christmas, and Linda made 18 dozen homemade Christmas cookies for the men and women. They surely enjoyed the cookies, Christmas services, singing Christmas carols and testimonies. There were a few that were given special permission to spend Christmas with their families that were not in attendance that day.

We had a wonderful Christmas with our family and enjoyed the grandchildren and great grandchildren, which brought much joy after missing so many years away from them. We are so thankful for God's love and protection over the ministry we left in Sicily. We ask that you please continue to pray for the Rice family and Chiesa Battista Biblica as the dear Italians continue to grow and see souls saved for God's glory!

On January 2, 2017, in house #4 after I finished the lesson, one of the men named Jason came to me asking a lot of questions. After answering his questions, I asked him a very important question, "If you died today, do you know where you would spend eternity?" His response was "NO" with tears in his eyes. I then asked him, "Would you like to hear today how you can

know for sure and be on your way to heaven?" Jason said, "Oh yes, Preacher Jordan." I showed him from the scripture that he could see and know God's word was true about salvation. He bowed his head, we prayed, and Jason accepted Christ as his personal Saviour!! Praise the Lord, He is still saving old sinners and giving them a new life in Christ!

Please continue to pray for the men and women in these homes that they will all come to a saving knowledge of Christ and accept HIM before it is everlasting too late. Christ may come today!! Until the next newsletter, may God richly bless each of you and your ministry!

In Christ,

Bro. Randall & Sis Linda
