

## **JORDANS UPDATE LETTER**

**WORLDWIDE NEW TESTAMENT BAPTIST MISSIONS**

**P.O. BOX 725 KINGS MOUNTAIN, NC 28068**

**Greetings in Jesus' Name,**

**We had a wonderful Christmas with Family and Friends. We like to remind our Family the real reason we celebrate Christmas.**

**Well, January brought us an ice storm and a snowstorm. We enjoyed the snow but we had rather that it came on another day besides Sunday. We felt bad about missing two Sunday services. The good thing is that everyone stayed safe and warm.**

**We had to move our Bible Studies from Tuesday to Thursday because of the road condition and one house lost heat. Our weekly studies are going well.**

**Linda is recovering well from her valve replacement. The doctor says she is doing good but he wants to see her every six weeks.**

**As always, we are thankful and grateful for your prayers and generous support.**

**Your servants for Jesus' sake,  
Randall & Linda Jordan**
