

JORDANS UPDATE LETTER

WORLDWIDE NEW TESTAMENT BAPTIST MISSIONS

P.O. BOX 725 KINGS MOUNTAIN, NC 28068

Greetings Friends in Christ,

Whoa, June has come and gone before I could turn around. It seems like the older I get the faster time flies.

June is the month that we celebrate the Jordan reunion. I went down to Alma, Georgia for our 10th annual reunion the first weekend of June. About 40 people showed up and we enjoyed a good time of food and fellowship.

This past Wednesday I missed church because my radiator blew a hole in the top and the car ran hot. I sure thank the Lord for road service on my insurance policy. I still got to watch church by streaming even though it is not the same as being present.

This month we had a man to pass away. Alan had a breathing problem. He fell in the floor and stopped breathing. All effort to revive him was in vain. The sad thing is that he was not saved. He wanted to debate with me about the Bible. The man that took his place has made a profession of faith and comes to church.

Linda and I both celebrated birthdays this past month. We are still enjoying good health even though we are getting older.

We cannot close this letter without saying a great big thank you for your prayers and financial support.

**Your servants for Jesus' sake.
