

JORDANS UPDATE LETTER

WORLDWIDE NEW TESTAMENT BAPTIST MISSIONS

P.O. BOX 725 KINGS MOUNTAIN, NC 28068

September – October 2026

Greetings to our friends in Christ,

Summer is past and our nation is not saved. It tells me that we need to redeem the time and pray that our LORD would send more labours into the harvest. Time is going so fast that I am wondering where September went.

In September, our car broke down, and we had to use a 1988 pickup truck. It got the job done and now the car is back on the road. We are so thankful that our LORD even supplies our transportation that we are so prone to take for granted.

Our Bible Studies are going well and a good number are faithful. We got one new man that seems to enjoy the weekly studies. Another man has expressed interest in coming to church with us.

Linda and I are seeing our doctors regularly and getting good reports. We just need to remember that we are not young anymore. Do what the doctor says and take our medicine.

We cannot begin to tell you how much we appreciate you. You have been faithful to support us and pray for us. God knows how much you mean to us.

**Your servants for Jesus' sake,
Randall and Linda Jordan**
