

Dear Supporting Churches, family and friends,
Merry Christmas! May the Lord bless you and your families as we celebrate the birth of our Lord.

I want to thank you for your faithful prayers and support. You are all such a blessing to me and I want you to know that I pray for your ministries as well.

The last few months have been crazy here as I'm sure it has been there. When I last wrote, I asked you to pray for our VBS which took place in August. We had such a great time and turn out. We also had several children saved and made many new contacts in the community. Praise the Lord! Our wordless book / spy theme was wonderful. We had plenty of workers, praise the Lord, with both German and American volunteers.

We held our annual Harvest Fest on October 31st and had a fantastic time with the kids. We had quite a few visitors and made new contacts into the community. Keith and Julia Klaus were in charge of this year's Harvest Fest and they did a great job.

November and December have been full with visitors from the States. We had a Pastor and his wife from Delaware, friends from Alabama, Julia's and my mother came to visit us and lastly, Bro. O'Malley from World Wide New Testament Baptist Missions came with a Pastor friend from Indianapolis. We had a great time with all of our visitors. Isn't it a joy to spend time with fellow laborer's with Christ?

The Patch the Pirate Club and Children's Church are practicing for the Christmas play "Harold the King." I am very excited about this year's play and am praying that many families from the community will come to see the play.

We have just recently lost another family to the States. The Nesmiths have been sent to Virginia for school. We miss them and the ministry they had in our church. Praise the Lord for church members who are willing to take up the slack and move into vacated positions.

Mrs. Rose and I have each taken on a new van route, so please pray that the Lord will give us wisdom and courage for these new ministries.
