Dear Praying Churches and Families,

Greetings from Germany. I can't believe that two years have passed since I returned to Germany. I apologize for the length of time since the last letter I sent to you. I have been keeping notes so that I would be able to fill you in on the activities of Hohenfels Baptist Church. In.....

January we officially started our home school ministry at HBC. I have many tools for this ministry from my seven years teaching at Mountain View Baptist School which is a great blessing. This is my first year working with a home school ministry so please pray that I'd be a blessing to our home schoolers. I'd also appreciate any advice you might have for me. February we had revival with Dr. and Mrs. Bobby Brown. They were such a blessing to me and I thank the Lord for them and their love for the ministry. March was pretty busy because I was house and cat-sitting for the entire month. I have decided that cats aren't my favorite animals. :) We also had the youth from my home church Mountain View in March and they were a huge blessing. We worked them very hard and they seemed to enjoy every minute of it. They were so kind and had great attitudes. I was able to keep the five girls with me and we had a great time. Most of them were former Second grade students of mine and I enjoyed seeing them again. They stayed up much longer than I was capable of and they went through a lot of cookie dough. :) I was not the cook's favorite person that week because I let the girls have a bunch of snacks and even treated them to Gelato which is the best ice cream in the world. April was pretty quiet. We did have a new family come in April and they have been a big blessing. They jumped right in by helping out in areas that have been vacated recently. May and June were our saddest months of the year thus far. We lost three families. The Suttons, Enslens and Richards were all faithful members, workers and friends. Many positions were left unfilled by their departure. They were an integral part of the ministry here and are sorely missed. We have had several other new families coming and even participating in the ministry. Isn't it amazing how God works? "Supplying all our needs according to his riches."

I seem to be the local house-sitter\dog-sitter\plant-waterer for the area. I have spent most of the last three months doing one or another and sometimes with two or even three houses at a time. This was very interesting, but fun. We are now in the middle of our VBS. This year we are doing VBS every Sunday in the month of August. The attendance is low but we've lost a lot of families and there are a lot of new families moving into the area. We are thankful for those who are attending and we are thankful for the decisions that have already been made.

Please continue to pray for our Patch the Pirate Club, Children's Church, and Sunday School and please add the home school ministry to your prayers. Thank you for being co-laborers' with me in the ministry of military missions here in Germany. You are such a joy and blessing to me. I hope and pray that all is well with each of you.

"I thank my God upon every
remembrance of you."
Philippians 1:3

Serving the Lord 'til He comes,

Lisa Kendrick
