Ministering to the military in Germany

October 2008

Dear Praying Churches and Families,

Grüß Gott! (Hello) I pray that this letter finds all of you doing well. The last 2 months since my last letter have been busy but rewarding. In September, our mother and grandmother came for a visit. Mom has been several times but it was Grams first visit. She especially loved the German Church. She could not seem to get over how friendly they were to her. We also began the new year of our Patch the Pirate and German Awana Clubs this month. Several of our military kids go to Awanas as well as Patch. They have a busy week. This month Keith and Julia hosted a German teen overnight activity at the church and seemed to have a great time. They also had a baptism service with three of their people getting baptized. (Praise the Lord!) One of those baptised has been going to the church for around 8 years and has been on many of our prayer lists for many years. We also celebrated the German Thanksgiving a few weeks ago and are getting ready for our Harvest Fest. We are planning a great time for the kids with games, candy, puppets and our world famous Bible character costume contest. One year a kid came as the burning bush.

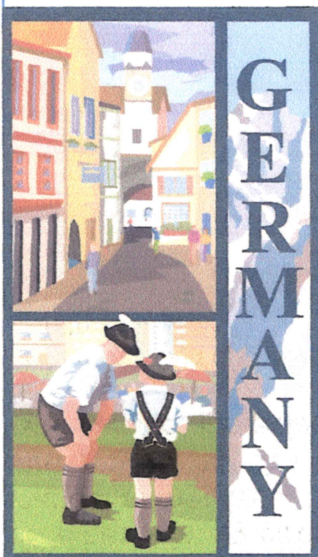

Thank you for the faithful prayers and support. Please continue to pray for our ministries here at Hohenfels Baptist Church and please add my mother to your list. She has primary biliary cirrhosis of the liver. The doctors have also discovered cancer on her liver. She has an appointment the day before Thanksgiving and we are praying that she will soon be on the transplant list. Her name is Diana Kendrick and I would appreciate your prayers on her behalf.

"I thank my God upon every remembrance of you."
