

...serving the military in Hohenfels, Germany since 2004

Lisa Kendrick

O magnify the Lord with me...
Psalms 34:3

Dear praying friends and families,

Thank you for your continued prayer and financial support. I have had a very busy past few months of travel and the Lord has continually blessed me. In addition to my regular travel and sharing the ministry in churches on Sunday and Wednesday evenings, I have been given the opportunity to pass out tracts for local churches, witness to a lady outside of my hotel in Montana, teach Sunday School, teach Children's Church, speak in chapel, and teach the Bible lesson at a Tuesday evening kid's club. I praise the Lord for these opportunities to serve Him. I was able to spend Christmas and New Years with my family and then they travelled with me to a meeting that I had in Florida. I'm leaving for the West again and will be out West until May. My 7 year old niece will be traveling with me for 3 weeks. She is so sweet. She keeps talking about her missions trip with Aunt Lisa. I have been working on my schedule for 2021 and the Lord is filling up my calendar very quickly. I've just started working on my summer and fall schedule.

Cheyenne, Wy.*

Caileigh and I

Blessings: Since my last prayer letter, I have had several new churches and individuals take me on for support. Praise the Lord! My support level is now at 40%. I am praying that I will be able to be back in Germany by the end of 2021.

Also, many of you have been praying for my Uncle Ronnie. He passed away in December with a clear testimony of salvation. This is a huge blessing because we have been praying for and witnessing to him for many years. Thank you for your prayers. Also, thank you for praying for my dad and continue to keep him in your prayers. The radiation therapy seemed to have worked and he is now cancer free.

Furlough Update! Thank you for praying for my travel in December. I had 2 days to get from upper Montana to lower Mississippi and I made it safely and without any gray hair (I think). I did encounter my first blizzard during the trip, which was a bit unnerving. I think I would have enjoyed the blizzard much better from inside a house or cabin with a cup of hot cocoa and a fireplace.

Thank you and God bless you.
