O magnify the Lord with me...
Psalms 34:3

Dear Praying friends and family,

May 2021

Thank you for your continued support both prayerfully and financially. I have had a very busy past few months and I apologize that I am late in sending out this prayer letter.

Blessings!

My 7 year old niece, Caileigh, was able to travel with me for 3 weeks. She participated in the ministry by helping me set up my table, holding my Bible lesson pictures for me and even singing a duet with me in a church in Arizona. It was a huge blessing to be able to share the ministry with her over those three weeks and she wants to go with me again as soon as she is able.

Ministry Update!

The ministry at Hohenfels Baptist Church in Hormannsdorf, Germany is going strong. They are able to meet in person although there are strict rules about distance, masks, and singing. They haven't been able to start everything back up yet, but the Sunday morning services are full with an overflow room down in the fellowship hall. PCS (permanent change of station) season is right around the corner and they are losing some people. Please be in prayer for them. It's really hard to see people leaving that you have grown to love.

A few ministry opportunities that I've had over the past few months have been: sharing my testimony, passing out tracts, witnessing (2 young ladies received Christ as their Saviour), teaching ladies, Children's Church and Sunday School.

Prayer letters:

I know there's been a problem with my emails and prayer letters going to junk mail and so I'm looking into sending them through a special prayer letter site that prints them off and mails them to churches for you. I will still send them through Mailchimp and put them on my Facebook page @reachingmilitaryfamilies and my website www.reachingmilitaryfamilies.com

Furlough Update!

I have had meetings in 6 states, been through 21 states and have traveled over 17,000 miles! I have really been enjoying this process a lot more than I would have ever guessed, although I do

not want to make this my new career. ☺ I am fervently praying that I'll be able to be back in Hohenfels by the start of the new year 2022.

I have had a few churches contact me over the past few weeks letting me know that they voted to take me on for support. When all the funds start coming in, I should be right at 50% in my support. Praise the Lord!
