O magnify the Lord with me...
Psalms 34:3

Dear praying friends and family,
Thank you for your continued support both prayerfully and financially.

Blessings!

This is going to seem like a very odd blessing, but I found out last month that I have allergic asthma and I have been praising the Lord, not because I am sick, but because after so many months of doctors misdiagnosing me, I am feeling much better. It's amazing how quickly the correct medicine worked. As a result of this, I have been able to travel again and have been so happy to be back on the road traveling to raise support to go back to Germany.

My support has gone up another 10% since I last wrote in January. Praise the Lord!

Ministry & Furlough Update!

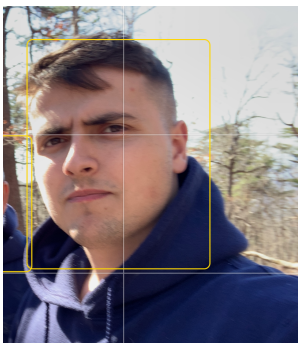

Currently, about 80% of my support has been raised and I am hoping and praying to be permanently back in Germany by the end of June. Basically, I need to raise another \$1,000 per month. I am leaving for Germany for the summer on June 20th and will be working in the children's ministries and setting up to live there. (My plan for the summer is to get my residence visa, drivers license, purchase a used car, and set up my new apartment.) I will only return at the end of summer if my support has not reached 100%.

I have had a couple of opportunities to witness to some young people recently. Please pray for Sara, Amanda, and one other young lady that they would receive Christ as their Saviour.
