O magnify the Lord with me...
Psalms 34:3

Dear praying friends and family,

October 2022

Hello, it is so hard to believe that I have been back in Germany now for over 3 months. There is quite a lot to be thankful for. First: my visa was approved. I was getting a bit nervous there at the end because the lady who was in charge of processing my paperwork at the Landratsamt in Neumarkt was out on vacation and then was out on sick leave. Once you arrive in Germany, you have 90 days to get your visa or you have to leave the country.

The second thing to be thankful for are the people who worked hard on my behalf to get my visa: Missionary Keith Klaus and Pastor Bill Ensley (pastor of Hohenfels Baptist Church).

The third thing to be thankful for is that my current support level is around 82%. I am very excited that it keeps

growing. The plan that I mentioned in my July prayer

letter remains the same, I will be returning to the States to continue deputation from January to the end of March and then return to Germany until next year where I will do the same thing, return for 3 months to work on deputation until I have finished raising my support. Please pray for me as I prepare for this part of my ministry. Also, if I am in your area, while back in the States I will be letting you know just in case you'd like me to stop by. The fourth thing to be thankful for and actually brought me to tears when I found out, one of my children from about 12 years ago has started supporting me. He is actually one of the children

in my deputation video, so, if you have seen it, then you've seen him. His family came back to Hohenfels when he was a teenager and he assisted me in my Patch the Pirate Club and now, as an adult, he is supporting my ministry.

The ministry here in Hörmannsdorf is going strong. We have recently lost a few families and are about to lose another family due to PCS (permanent change of station) season. We are always very sad to see them go and pray that they get involved in a church at their new post. We've had quite a few visitors in the past few weeks, which has been a blessing. I have started a new ministry since my last prayer letter: Toddler Sunday School. I need to name it but haven't gotten that far in my thinking. Also, this is my first time with such a ministry so if

you have any suggestions for me, I'd love to hear them. The age I am trained to work in is school age 5-12. You might think they are the same but they are definitely not. :) It has definitely been a challenge.

Thank you so much for your faithful support both financially and prayerfully. I can tell that I am being prayed for and feel very thankful and blessed.
