O magnify the Lord with me...  
Psalms 34:3

Dear praying friends and family,

Winter 2023

Thank you for your faithful prayer and financial support over the past few months. In case some of you missed my last letter, I'll explain what is going on in my ministry. I returned to Germany in June of last year, planning to stay only for the summer. The plan was to return to the States and continue raising support. Things changed a bit and I was able to stay until the end of 2022. At this point, I will be working in Germany for most of the year, returning to the States for 2-3 months to continue raising support. This plan will continue each year until I am at 100% of support raised. I am currently at 83% and am returning to Germany on April 10, 2023 to continue working in the ministry for the rest of the year.

Since my return to the States I have had three churches take me on for support and I had one church tell me that they would be taking me on in the near future. Praise the Lord! Currently, I am working on next year's deputation schedule. It looks like I'll be back in the States around the same time next year to continue raising support.

I was speaking to a group of teens a few days ago, and as I was talking to them about following the will of God in their lives, it really hit home to me how wonderful God is and what an amazing life He has given to me. So, I want to again thank you for being part of that life through your faithful prayer and financial support. Ps 34:3 says, "O magnify the LORD with me, and let us exalt his name together." I couldn't do this without all of you.

Thank you so much for your faithful support both financially and prayerfully. I can tell that I am being prayed for and feel very thankful and blessed.
