O magnify the Lord with me...
Psalms 34:3

Dear praying churches, family and friends,

July 30, 2024

Guten Tag! Blessings: I wanted to start this update with some of the blessings God has provided since I last wrote in May. First, we had our Vacation Bible School in June, and it went very well. Our church family really enjoyed getting to know the Pricop's (special guest speakers, missionaries to the Romanian Gypsies in Romania) better during the week and we had one young girl receive Christ as her Savior, praise the Lord! She has been on my prayer request list for the past year: thank you for praying for her salvation. Second, as you know, I plan to go back to the United States in January to raise more support. I have been praying for the funds to purchase the ticket for the past 2 months and God answered the prayer through the children at Liberty Baptist Church in Pell City, Alabama. They raised money at their VBS in June and sent it to me. Praise the Lord!

Upcoming events: Sundays in August VBS - Kiki Ensley (Pastor's wife) and I are going to do a 2nd VBS this year at Hohenfels Baptist Church.

It will be every Sunday in August. Please pray that we will see children saved and will be a blessing to our church and community.

Homeschool enrichment classes: starting in late September, we will be providing classes for the local homeschool community. I have enlisted the aid of a few of the mothers from our church to help teach some of the classes. Our goal is to glorify God, build a biblical worldview in our children, and be a blessing to our church and local community.

Deputation Update: As I mentioned before in this letter and the update in May, I will be coming back to the United States for a furlough/deputation. I plan to fly to the US on December 16 and return to

Germany on February 6th. This will give me 7 weeks for visiting both new churches and a few of

you that currently support me. If you would like for me to visit you while I'm in the States, please let me know. So far, I'm going to be in the Southeast for most, if not all of my time.

Current Support level: I'm putting this in here because I have been asked by a few pastors where I am at in my support level. Last year at this time I was right around 90% in support raised. It's actually gone down a bit due to the financial difficulties of a few churches or individuals. I am currently receiving 80% support. (Those churches or

individuals might start supporting me again when they are able to.) Also, as I was looking at the support coming in, I realized that many of you have raised my support. Thank you, it has kept my support level up during this time.

This September marks the 20th year I have been a missionary here in Hohenfels, Germany. Time really flies past quickly.

You are all such a blessing to me. Thank you for your faithful prayer and financial support over the years. I am so happy to be partnering with you in this ministry to the families of our soldiers in Hohenfels, Germany. God bless you and your ministries.
