O magnify the Lord with me...
Psalms 34:3

January 2025

Dear praying churches, family and friends,

I hope you all had a great Christmas and New Year's. I was able to spend a little bit of time with my family and it was so fun and relaxing.

Reflecting over the past year: This past year has definitely been full of challenges and victories. We saw souls saved and baptized, had many families leave to go to new duty stations around the United States, and had new families join us. This is very typical for a military ministry.

Our homeschool group started in September and has been a tremendous blessing as well as a great outreach ministry into the community. We have several families attending each Tuesday who

are not a part of our church and we have one family that doesn't believe in God. Please pray for this family as we teach the children about our amazing God. The children's names are Bobbi and Ashton.

We had 2 Vacation Bible Schools (VBS) this year. We did the regular week long Bible school which, I told you about in my July/August prayer letter, and then we had another VBS every Sunday in August. I passed both my German language courses and the German political course (Einbürgerungstest). Praise the Lord. I am now able to get a Visa without too much trouble.

Of course, this has been a very brief version of the many blessings of God for this past year. Hohenfels Baptist Church been very blessed and I am so thankful for the ministry that God has allowed me to be a part of.

Anticipating 2025: I am currently back in the States on furlough/

deputation. I arrived in the States on December 16th and return to Germany February 5th. One of the new churches that I have visited this month has reached out to let me know that they voted to take me on for support. Praise the Lord! With that new support, I will be at 90% in my support level. Please pray that that level will continue to grow.

Once I return to Germany, we will begin working on our summer VBS, scheduling ladies meetings and Bible studies, and planning and scheduling next year's homeschool enrichment classes. Please pray that

God will give us wisdom as we seek to be a blessing and a light to our church families and the surrounding community.
