O magnify the Lord with me...
Psalms 34:3

Summer 2025

Dear praying churches, family and friends,

Summer is here and with it we have begun our summer activities including Vacation Bible School and our ladies polish pottery shopping trip. I was also able to purchase a used car. It's a Nissan Micra and is very small and quite cute. My prayer was that I'd be able to pay cash for the car because I didn't want to go into debt to get it. The Lord answered my prayer with the help of one supporting church and individual lady in the States. It is a huge blessing. Please pray that I'll be able to sell my old car. It is not up to code (which is why I needed to get a different car) and so I'll need a purchaser who is either good with repairing vehicles or who can use the parts.

Reflecting over the past few months: I returned to Germany in February and immediately started working on VBS, and preparing (pre-course work) for an in person counseling course that I took in Austria in May. It was an amazing week. This years topic was counseling children which is my main ministry. Debbi Pryde is an amazing lady and her training is very detailed and Christ centered.

Our homeschool ministry ended in May and was a tremendous blessing to the ministry. We had many families over the year who are not in church and the children were exposed to the gospel in every class. Praise the Lord and we pray that the seed that was planted will continue to grow.

We had VBS every Sunday in June and was a lot of fun for the children. We had a few visitors and a few children raised their hands for salvation. Please pray as I visit with these families and children that they would receive Christ as their Savior.

My friend Michelle (also a supporter from Canada) visited me in June with a friend of hers, Jen. It was a lot of fun and she was able to attend both my Thursday evening kid's bible study and VBS. She and Jen ended up helping me out with the memorization time on Thursday. They were a huge blessing and I'm looking forward to having them come back again and to seeing them when I'm back in the States and Canada on the missionary trail. I told them that they are my guinea pigs for future guests from supporting churches in the States and Canada. :)

I am deeply saddened to share that one of our dear ladies, Lian, went home to be with the Lord a few weeks ago. After many years of being in remission, her cancer returned in December and was found in her heart, stomach and lungs. Praise the Lord that she had a strong testimony of salvation and Pastor was able to share the gospel at her funeral. Many of her Malaysian friends are not saved. Please pray for Brian and Jayden (11) as they grieve the loss of their beloved wife and mother. We all miss her very much.

Anticipating the rest of 2025: Our homeschool group will restart this September, and I am very excited about all that's ahead. One of the changes we're making this year is replacing our weekly chapel time with Bible study classes. This new format will allow us to divide the children into three different age groups, helping us better meet their spiritual and biblical needs at an age-appropriate level.

We will also be starting back with our ladies meetings in September. Please pray that these Bible studies and fellowship will be a blessing and time of growth for our ladies.

Prayer Requests

Visitors

Paying off our church building

Salvation - Rosalind (I've lost contact with her but please keep praying)

Salvation of children - Izzy, Bobbi, Ashton

Leslie Reed - salvation, health

Homeschool enrichment classes
