O magnify the Lord with me...
Psalms 34:3

Psalm 34:3: “O magnify the LORD with me, and let us exalt his name together.”

Greetings from Germany! The Lord has been very good these past few months, and I wanted to share a few recent blessings and prayer requests.

Our normal ministries—preaching, teaching, discipleship, and counseling—are continuing weekly and are a huge blessing. Our church continues to grow, and it is amazing to see God working in the lives of our soldiers and their families here in Hörmannsdorf, Germany. We currently have one little girl who regularly comes to children’s church who has not yet received Christ as her Savior. Please pray that the Lord will work in her heart and that she will come to know Him as her personal Savior.

We held our Vacation Bible School in June and invited the Meyer family, our missionaries to Spain, to join us. They were a huge blessing and even helped us have a special week-long teen event. This was the first time we had done this, and it was amazing. We didn’t have a lot of teens because many teens were at camp, but we had several first-time visitors, and the Gospel was preached. Pray that these seeds will produce fruit in the lives of these children.

The children sang a song from my childhood on Father’s Day. My brother, sisters, and I grew up singing a song called “Kids Grow Up.” With some help from my mother and sisters, I wrote the song out, then taught it to my children’s church. It was very meaningful to me to hear the children singing a song that was part of my childhood. The kids loved having something just for their fathers. One little girl did point out that we didn’t have a song for the mothers on Mother’s Day. I guess I know what I need to work on next! :)

This has been one of my busiest summers in a while. I had a friend from Canada come over to Europe, and I was able to spend a few days with her in Belgium. After that, my niece, Bethany Carpenter, and her family visited for a month. We had so much fun together and were able to create many wonderful memories.

We will be starting our third year of our homeschool co-op on the 15th of this month. I am very excited about this new year and pray that the Lord will give us many opportunities to be a blessing to our community, to see children and families grow in the Lord, and to plant seeds in the hearts of children who are not churched. I know of at least two children in our co-op this year who have not yet received Christ as their Savior. Please pray that we will have many opportunities to share the Gospel with these children and their families and that the Lord will work in their hearts.

We also have a military family in our church who is facing a difficult situation. Please pray for them as they navigate these circumstances. Pray that the Lord will give them wisdom, peace, and grace as they make decisions, and that He will guide them in how to respond.

Thank you for your continued prayers and faithful support.
