

July-August 2020

Dear Pastors and Prayer Partners,

As I mentioned to you in our last prayer letter, coronavirus has turned the world upside down. We are still here in Ghana. The borders are not open yet, but the President spoke this past Sunday evening, and he told everyone that, unless something unforeseen occurs, they will open the borders on September 1st. We are hoping to come back to the States on furlough sometime in September.

We have resumed our church services. We have to seat everyone one meter apart, wear nose masks, and have a hand-washing station. We have not resumed our children's ministries because we have so many who come that we do not have the space to keep them "socially distanced." Since we have started having church services again, some visitors have attended. Most of the visitors have come because they heard us on the radio. We have one lady who has been coming faithfully since we were allowed to resume services. She told us that she is saved, but her family's church does not preach the truth. She heard us on the radio and decided to come to our church. She has started bringing her younger sister with her recently.

Please continue with us in prayer for our radio ministry. We are still getting calls asking questions about what we are preaching. Pray that Ghanaians will come to know Jesus personally. Pray that they will turn away from their works, self-righteousness, and religion and turn to Jesus as their only way of salvation.

By the time our next prayer letter comes out, Lord willing, we will back home in the States. If you want us to come by your church and update you on the ministry here in Ghana, please email me at kenneys2africa@gmail.com. If you want to contact me by phone, my number here in Ghana is 233 055 572 8657. I will try to contact you all once I get a phone set up there.

Thank you once again for your continued prayer and support. We could not be here in Ghana without it.

In His Service,
The Jeremy Kenney Family
Missionaries to Ghana, West Africa
