

# THE KENNEYS

MISSIONARIES TO GHANA, WEST AFRICA

**June and July 2025**

Pastors and Prayer Partners,

We are back in the States on furlough. We flew in June just in time for our home church's Vacation Bible School. It was weird to be just a helper for a change and not be the one in charge, making sure everything was going well. We have been back for about a month and a half now, and I am getting some meetings booked. I took the month of June to get settled and take care of things. We had to get a car, phones, etc. My new number is: (803) 261-9764 if you would like to contact me.

Micah already has a job. He has been working for about a month now. We are thankful that he is getting settled and established. It will be odd to travel to churches with just the two of us. This will be our first time not having any children with us. It is a bittersweet time. We are thankful that our children are doing well. They are involved in our local church ministries and have been faithful. Praise the Lord!

The church in Ghana is doing well. They are in the middle of the rainy season. One Sunday, they came to church, and the hill behind us had a mudslide into the church. They cleaned up the mud, and after the service, they dug a trench around the back of the church to channel the water away from the building. Bro. Michael sent me a video of them in their church clothes digging the trench. Thank you to those who have donated to the retaining wall. So far, we have \$3,246 towards building the wall. We still need around \$6,500 to get it finished. We are going to send what we have now to start the first phase.

Please keep us in your prayers for safe travels while we are out on the road. Pray for our church in Ghana. Pray for our children, especially Micah, as he adjusts to a new life here in the States.

Thank you again for your continued prayer and support!

Jeremy and Tonya Kenney
