

# THE KLAUS FAMILY - IN GERMANY

Dear faithful family and friends,

Philippians 1,6 Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ.

The last few months have been so full of the Lord's goodness that it is hard to know where to start. We have been so blessed to see prayers being so specifically answered. The young man I mentioned in our last letter was baptized in May and we are continuing to disciple him in the Word of God. I also mentioned in our last letter

May Baptism in the River

that a young family had started coming to the church. The wife is a believer and we had been praying for several months for her husband to be saved. This spring I was able to lead him to Christ and it has been a

great blessing to see him growing as we hold our weekly Bible studies. We have stayed very busy with our one on one discipleships and counseling, but God has given strength and we are beginning to see some real fruit in the ministry here. Our young adult group is starting to come together and I have been meeting with and witnessing to a young man attending who is very close to trusting Christ. There are at least two others with whom I am regular sharing the Gospel and I have been so thrilled to see God working in their hearts. We would ask you to pray very specifically that the Lord would allow us to be wise with our time and to see

where we can best invest ourselves in the ministry here. We are also beginning to plan for our furlough next year. We would like to be back at the beginning of May. Our daughter Bethany will be graduating from PCC and we will begin our time in the US there. Levi, our youngest, will be graduating from the German school system and Lord willing will be able to attend the 12th grade in our church's school in Birmingham, Alabama. We need much wisdom in filling the holes here in the church - and the Lord's leadership and guidance for after we return. I will be contacting our supporters in the next few months as we start planning for our visit.
