## Church Planting in Burkina Faso

**August 2012**

### Phone Calls

We had a wonderful month of meetings. We presented our ministry to six Churches and scheduled more dates each day that we made phone calls. From now to the end of the year, we only have two Sundays with no meetings. Thank you for helping us pray for favor with pastors and churches as we contact them. California will be our destination next Summer. Since the West Coast is three hours behind Eastern Time, it gives me more time to call in the day. We have had a great response from several churches already and we are excited to keep scheduling in the Far West.

### Moving out

We have been selling our belongings and packing boxes all month in preparation to move to Burkina Faso and begin full time deputation. Please keep us in your prayers as we move out of our apartment and live out of suitcases until we get to the field.

### New Supporting Church

We praise the Lord for an additional supporting Church. We are now at 4% of our needed Support. Thank you for your prayers.

In Christ,  
Stephen & Julie Knickerbocker
