

The Knickerbockers

Church Planting in Burkina Faso

October 2012

Dear pastors, supporting churches and praying friends,
Thank you for your constant prayers and encouragement!

A great time in the north east

Chesapeake Virginia was our first destination this month. We had a great time presenting our ministry and getting to know other missionaries during the week long conference. After Virginia, we went up to New Jersey where we attended a missions conference at Open Bible Baptist Church. It was encouraging to listen to the pastor's vision for the church to support a missionary family in every country in the world. The last evening of that mission conference, Open Bible Baptist Church voted to take us on for financial support. Our last destination in the north East was Lighthouse Baptist Church in Waterbury Connecticut. This is the church where Julie grew up and the one through which The Lord led her to Crown College.

Back Home

We went back to Temple Baptist Church, our home church, for the world evangelism conference. We showed our video presentation and presented our burden and vision before the church. It is exciting to be sent out of a church that understands and emphasizes the priority of world evangelism. It was encouraging to hear so many people telling us that they were praying for us.

Praises and Prayer Requests

- We received the acceptance letter from the government four days after Julie's interview with the government.
- The green card should come in about 3 weeks!
- Help us pray for the planning of our survey trip next summer.

In Christ,
Stephen & Julie Knickerbocker
