Church Planting in Burkina Faso

June 2012

On the Phone

The Lord has blessed us with 17 scheduled meetings so far. Some of the most precious times were when a certain pastor took the time to pray over the phone with me even though he couldn't schedule a meeting with us. We are thankful for faithful pastors all over the United States who have a heart for God's work in missions.

Our Strategy

Since I am still working a full time job this summer, we are scheduling meetings in Tennessee and the surrounding States. As support begins to come in, we will be scheduling meetings where ever there are opportunities. We are looking forward to meeting with pastors and churches already as far as California in the next year and we're excited about scheduling meetings with churches across the Great Plains region to make our way to the west coast. Help us pray for wisdom and discernment as we schedule meetings.

Missions Conference in Ocala, Florida May 26th to June 3rd

This year was the 30th annual missions conference at the Memorial Baptist Church in Ocala, Florida. It was so refreshing to be around people who understand the importance of World Evangelism. We thank the Lord for churches who constantly pray for the missionaries they support-what a blessing! We had the opportunity to teach Sunday school, share our testimonies, give our video presentation, preach God's Word, and spend time speaking to children about our ministry and field of service. During the Missions conference, three precious souls trusted Christ as their personal Saviour. There is nothing greater then to see God working among us. We thank God for the great encouragement that we received during our time with Memorial Baptist Church.

In Christ,
Stephen & Julie Knickerbocker

Now then we are ambassadors for Christ, as though God did beseech you by us: we pray you in Christ's stead, be ye reconciled to God. - II Corinthians 5:20
