

URGENT! PRAYER REQUEST!

Friday 18th of September 2015

Julie and I are in the capital city of Burkina Faso where an official coup d'état has recently been pronounced by the presidential guard. This group of 1300 soldiers is the most advanced military branch and has followed an elite training which makes them extremely dangerous. The general of the presidential guard has proclaimed himself to be the new leader of the country which has enraged the population. We have confirmed reports that the police force is organizing a counter attack this evening on the presidential guard to restore democratic power and peace in the country.

We are confined to our home until further notice.

Please pray that the presidential guard would abandon their unpopular effort so that there would be a minimum of casualties and no civil war.
Thank you for your prayers.

by prayer and supplication with
thanksgiving let your requests be made
known unto God.**
