## MISSIONARIES TO THE SOLOMON ISLANDS

---

Dear Supporters,

We write this letter with great excitement as we are just about 2 months away from heading to Malaita, Solomon Islands. The plan is to head to Honiara, Guadalcanal for about 3 months as we figure out housing, visas, and some basic logistics of living on Malaita. One of the ministry needs that we will have is the purchase of a vehicle. The process to get a vehicle is quite different from here in the States. We will have to buy a vehicle online from Japan and have it shipped to Guadalcanal and then ship it to Malaita. This process will take several months from the date of purchase to when the vehicle is ready for use. We are working to locate a vehicle and buy it by the end of this August so that it will be there by the time we arrive. We are looking for a vehicle that costs about \$8,000. The cost to ship it from Japan to Guadalcanal and then to Malaita including additional fees along the way is close to \$5,000. We are asking that you would consider giving to this need. This vehicle will be used to pick up people for church services as well as personal transport while on the island. There are cars sold on Guadalcanal, however, the price of a vehicle that would cost \$8,000 in Japan would cost around \$15,000 on Guadalcanal and then we would still have to pay for it to be shipped to Malaita. If you would like to contribute to this purchase, please send your contribution to our Missions Board (WWNTBM) and write "Lee - Car Fund" in the memo box.
