Support Our Long-Term Commitment to Malaita Through Property Purchase

Dear Supporters,

We are writing to invite your partnership in a significant step for our mission in Malaita: the purchase of a property to serve as our permanent home. Our goal is to raise \$60,000 USD, which will enable us to establish a lasting presence in the community. This purchase is a strategic step toward deepening our commitment to the community, and we would like to explain why this is a priority:

1. **Long-Term Commitment:** Unlike renting, which is typical for aid workers staying one or two years, owning a property demonstrates our dedication to building enduring relationships and integrating fully into the Malaitan community.
2. **Financial Stewardship:** Rental costs in Malaita are inflated due to demand from foreign aid workers. Purchasing a property is a cost-effective, long-term solution that allows us to allocate more resources to our mission.

We have raised \$15,000 toward this goal and need an additional \$45,000. A generous donor has pledged to match all contributions up to \$22,500 received by August 1, 2025, reducing the remaining amount needed to \$22,500.

Your support can help us achieve this milestone, ensuring a stable foundation for our work in Malaita. To contribute, please send donations to our mission board, labeled "Lee House Fund," at:

Sincerely,
The Lee Family
