## Missionaries to Brazil

Dear Praying Friends,

“O taste and see that the LORD is good: blessed is the man that trusteth in him.” Looking back on the past two months, we can only say that the LORD is good, and we are thankful that our trust in Him is never misguided! We had a blessed Christmas and New Year and were challenged to trust the Lord to do great things in 2015.

**Material blessings.** God provided a nice house for us to rent for the next year in Rondonópolis. Also, He provided the needed help and a trustworthy truck driver to move our belongings from Cuiabá. Some much-needed furniture for our home was also provided through some gifts given by you our supporters. Thank you! All of these things, although only material blessings, have helped us as we adjust to the new city and begin our work.

**Spiritual blessings.** As we have gotten out and about the city while setting up our home, the Lord has given many opportunities to witness. Our neighbors, the dentist, our landlord, and the bread store clerk are among the many with whom we have spent time talking of the Lord. Most claim to be “Christians,” but know very little of the Scriptures and have expressed desire to come to a Bible study or to church. Our girls have been able to make friends with a neighbor girl their age and have spent much time playing with her during these nice summer days! Her name is Anny. Please pray for her salvation.

**Bible Study Plans.** As many have expressed desire to come to a Bible study or to preaching services, we have been praying for a place to meet. We have found a little building for rent in our co-workers’ neighborhood that would suit this need. We have been negotiating a deal with the real estate agent, and I think we are close to being able to sign a rental contract. Please pray with us that the Lord would give us wisdom in our dealings, and that we will have a place to meet very soon!

Much more than working out a place to meet, we need God to work in the hearts of men. Would you pray for wisdom as we prepare to teach and preach the Scriptures? Many here are used to hearing twisted unbiblical preaching, and they are looking for answers. We need God’s wisdom and power in preaching.

We are thankful to you for continuing to uplift us with prayer and support!

Gratefully,

Jeremy and Esther Lockhart
