

Dear Praying Friends,

December 2020

“For unto us a child is born...and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace.” I am so thankful that Christ is King. He is still The Mighty God. He still brings peace to my heart. This is no different for the year 2020. Despite the adverse circumstances worldwide, this has been a wonderful year worthy of giving praise to our King!

Ministry. We were encouraged to see one of our new missionary families make it to Africa during a brief reopening of the country where they now serve. During this season, where many believers are tempted to hide in their homes with their light under a bushel, we praise the Lord that He is still calling and sending laborers to His harvest field.

In other exciting news, many of our missionaries on deputation have seen a good increase in their support levels over these past months. Each step closer to the mission field brings an added boost of encouragement to them. Your giving enables us to assist them in their missionary work.

Our travels have recently led us to GA, SC, and PA. It is a delight to preach at missions meetings and watch God increase his people’s faith as they sacrifice to send more missionaries out and commit to giving themselves to reach the world with the Gospel. Rejoice that God is still at work, and pray that He will continue to send more laborers into His harvest field!

Family. God has given us a blessed year of serving Him together. The kids are involved in knowing and praying for our missionaries. Esther keeps things in order at home, freeing me up to better serve our missionaries. Allie is looking forward to getting her learner’s permit in a few weeks. Bethany just joined the teen group. Judah and Levi stay busy helping dad in any way possible. Eden keeps us all on our toes. Our family truly is grateful to each one of you who pray for us and who give so sacrificially to enable us to serve as your missionaries. May God give us much fruit that may abound to your account.

With Grateful Hearts,
Jeremy and Esther Lockhart
