World Wide New Testament Baptist Missions

Dear Praying Friends,

May-June 2023

“His disciples came to Him saying...send the multitude away...but Jesus said unto them, They need not depart; give ye them to eat.” The harvest fields of the world are enormous and ever-growing. Oh, how we need more laborers to obey and give our world to eat of the Bread of Life. Thank you for enabling us to serve in God’s harvest.

Many of you began supporting and praying for us on deputation when our oldest was only four. Allie graduated from high school in May. Time has flown, and your prayers have helped to sustain our family through these many years we have partnered together. Thank you!

Shortly after graduation, Jeremy and Allie flew to Kenya in East Africa. They visited the Matthew Rose family, one of our missionaries there. God is doing a marvelous work through the Rose family. This visit, intended to encourage our missionaries, brought many mixed emotions. To see a young family go through such hardship out of love for their Savior and the Kenyan people brought great admiration. To see the newfound peace of many new converts brought great joy. To watch the glad response as these dear people feasted on the simple teaching from God’s Word brought conviction. To see multitudes trapped in the darkness of sin and false religion brought great sorrow. To see so few laborers in God’s harvest fields brought a renewed earnestness to pray for laborers and to preach the Good News while there is time. To see our missionaries encouraged brought satisfaction as we fulfill God’s calling in our lives.

A generation of older missionaries is passing off the scene. A new generation of servants is so desperately needed. Will you surrender to go? Will you take up your cross and follow Jesus? Will you pray with us for more laborers?

We appreciate your prayers as we head into a busy summer of service. There is joy in serving our many missionary families. Thank you for your faithful prayer and support that enables us to serve them.

With Grateful Hearts,
Jeremy and Esther Lockhart
