Missionary to the Children of

Grenada, West Indies

April/May - 2008

Dear Friends and Faithful Supporters,

"Now unto Him that is able to do exceedingly above all that we ask or think, according to the power that worketh in us." Ephesians 3:20

Praise the Lord for His powerful working in the hearts of His people. I have been blessed over and over by the generosity of God's people as I have traveled. So often I have seen Him provide for my needs even before I knew there was a problem. Last week, I realized something was wrong with my car. The Lord protected me on that trip and when I took it to be fixed; the amount was equal to two gifts I had been given earlier that week. On another occasion, the Lord burdened a family for my safety on the road, and they purchased me a year of AAA. My sending church also gave generously when a dental need arose.

Not only is the Lord meeting my needs here in the States, but He has been working in a mighty way in Grenada. I had planned to live with my parents in their apartment upon returning to Grenada. It is a small space which prompted my dad to seek other options. Now He is working to enclose a space connected to the back of the church to make me an apartment. Several churches have given my parents generous love gifts over the past few months without any knowledge of this project. Please pray that the Lord will continue to provide. It is exciting to see god working both here and in Grenada.

My calendar of meetings continues to fill up and two churches and one individual have taken on my support. In addition, the Lord continues to work in the hearts of Darla and Crystal, two sisters, who feel called to Grenada to help with the preschool and orphanage. Please pray for them as they plan a survey trip to Grenada and seek acceptance with a mission board. Truly the Lord has provided "above all that we ask or think."

Serving together with you to reach the children of Grenada,
