Missionary to the Children of

Grenada, West Indies

May/June 2010

Dear Friends and Faithful Supporters,

“For Thou, Lord hast made me glad through Thy work. I will triumph in the works of Thy hands.”
Psalm 92:4

Twenty-three mothers attended the Mother’s Day service. We honored them with a gift, and the children were excited to have mom in the church service. I am so glad for this special day which encouraged the moms to come and to hear God’s Word. Through this God can continue to work in their hearts.

One of the fathers who recently dedicated his baby to the Lord came back to church one Sunday and shared his amazing story. While working, he was almost killed. Realizing that he could have died, he accepted Christ as Savior right then. Truly we can “triumph in the works” of God’s hand. He alone can work in hearts to accept Him! Please remember him in your prayers.

Scripture memorization is a vital part of the ministry here. **Everyone** memorizes a verse each week and recites it on Sunday morning. My mom has a gift for putting verses to music which greatly aides in learning them. I have also been spending a few minutes with the younger children on Sunday night practicing the verse. I am so glad to have this opportunity as part of the ministry, and my prayer is that these verses will be said and sung at home and that God’s Word will return to their thoughts over and over as they grow up.

God is at work here in Grenada, and I am glad to have a part in this ministry. Thank-you for your part and please be in prayer for:

1. Moms to be saved
2. Summer reading classes
3. Pre-school enrollment (I have eight students enrolled so far!)

I look forward to sharing with you all ways that God is working in hearts and answering prayer. Together we will “triumph in the works” of His hands!
