Dear Friends and Faithful Supporters,

“And when they (the shepherds) had seen it, they made known abroad the saying which was told them concerning this child.” Luke 2:17

Faith Independent Baptist Church put on its first children’s Christmas program this year. The play was based on the Christmas story as it is told in Luke chapter 2. The children were excited and did a wonderful job! Fliers were passed out to invite the community to attend. It was a new way to “make known abroad” the gospel.

In addition, our church family memorized the Christmas story in Luke chapter 2. This memorization combined with the children’s program really brought the Christmas story alive and encouraged them to share the message of Christmas with others. Caroling and passing out plates of bread to the elderly also enabled the church to “make known” the love of the Savior.

The students of Faith Baptist Pre-school ended their first term with a program and Christmas party. They showed off what they had learned to their parents by saying their colors and letters, reciting verses and poems, and singing Christmas songs. Once again the parents received the message of salvation through their children.

I trust you had a wonderful Christmas as you “made known abroad” the true meaning of Christmas, and that you will join me (just like the shepherds) in “glorifying and praising God for all the things that (you) have heard and seen.”

Serving together with you to reach the children of Grenada,
