Grenada, West Indies

Dear Friends and Faithful Supporters,

“Behold I will do a new thing, now it shall spring forth: shall ye not know it?” Isaiah 43:19

A new year of pre-school has begun with five new students and six returning students. It has been a new challenge to teach both the three and four year olds this year. Please pray for my mom who has taken on additional teaching responsibilities this year as we teach combined curriculums. Our students need your prayers as well. Here is a request for each student in the picture from left to right ending with the two who are sitting:

Lymon – motor skills are a challenge for him

Robbie – has missed a lot of school due to sickness

Paige – needs to improve her listening and comprehension skills

Kaya and Kayel – for mom to be saved

Melanie – needs help socializing and interacting with the other kids

Amelio – will miss a month of school in Nov/Dec – pray that he will not get too far behind

Makhalia – coloring and writing are a challenge for her

Christon – a hard worker who does not always get things easily

Delia – has trouble completing her work in class because she does not want to do it

DeWayne – repeating the three year old curriculum – pray he thrives this year

Kavel and Kaya – for mom to invest more time in them

The Little People's Class on Sunday Morning is like teaching a new class as many have outgrown the class and it has gotten younger with many of the pre-schoolers attending. Every story is new because they have never heard even the most common stories such as Daniel and the Lions Den. It is so much fun to see them so excited and mesmerized by God's Word!

God is at work with new opportunities here in Grenada! I am so thankful for all of you who continue to be a part of the ministry with your prayers and giving.

Serving together with you to reach the children of Grenada,

Carrie Mathena
