July/August 2014

Dear Friends and Faithful Supporters,

**“But grow in grace, and in the knowledge of our Lord  
and Saviour Jesus Christ.” II Peter 3:18**

July 13<sup>th</sup> was a special Sunday because two followed the Lord in Believer’s Baptism. It is difficult for the people here to take this public step of obedience to the Lord. They do not want to change their lifestyle and make a commitment to the Lord. Kellisha (one of the children I had the privilege of leading to the Lord) and Renisha (the mother of a future pre-schooler) were both baptized. Pastor spoke to several others who need to be baptized, but they were not willing to take this important step. Please pray for more to obey the Lord in baptism so they can continue to grow as Christians.

August means the new school year is only a few weeks away and it is time for our annual Scripture for School Supplies. The children have been busy earning points for school supplies through faithfulness and Scripture memorization. Our prayer is that the children will “grow in the knowledge of our Lord and Savior Jesus Christ” as they prepare for a new year of learning in school.

As time passes, I see the children grow up so quickly and several have moved out of the children’s classes into “big” church. I would love to see more children start coming to the church so I am planning some outdoor Bible clubs for the next few months. Please pray that this outreach will bring in new children to grow our classes and to have a new generation of children who will “grow in grace and in the knowledge” of Christ.

Growing in the Lord takes time, and I am excited to continue ministering here in Grenada. To see both children and adults taking the necessary steps to grow in the Lord is worth every moment.

Serving together with you to reach the children of Grenada,
