Missionary to the Children of

Grenada, West Indies

January/February 2015

Dear Friends and Faithful Supporters,

“So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.”
Isaiah 55:11

God is using a variety of ministries to share God’s Word in Grenada this year. Here is an overview of the ministries so you can pray with me as God’s Word goes forth:

Pre-School (ages 3-4) – Our fifth year is moving forward but what amazes me is how many of our former students and their families continue to come to church. It is an ongoing ministry that spreads God’s Word throughout the community.

Little People’s Class (Sunday Morning – ages 2-6) – These children are working to learn a memory verse each week and are studying the Life of Christ.

Ladies Journey of Faith (Sunday Night – ages 12-26) – This is a new class God burdened me with to reach out to our growing group of teenage and young adult ladies.

Animal Lover’s Class (Wednesday Night – ages 4-11) – We love to learn about animals! Our next series is about bees and our lessons will start with “Bee” Saved and end with “Bee” Ready for Christ’s return.

Friday Night Fellowships – Both young and old enjoy getting together for different fun fellowships. The adults have especially been looking forward to getting together once a month to share a meal, fellowship, and time in God’s Word.

Outdoor Bible Clubs – This outreach has been on hold due to rainy season, but I look forward to having them again in dry season.

God’s Word is alive and at work in hearts here in Grenada. Truly it will “accomplish” what God has planned. It is a new year to serve Him, and I look forward to sharing what God does with you!

Serving together with you to reach the children of Grenada,
