MISSIONARY TO CHILDREN OF GRENADA, WEST INDIES

May/June 2022

Dear Friends and Faithful Supporters,

***“Set your affection on things above, not on things on the earth.”
Colossians 3:2***

With elections, the end of the school year exams, and the return of large gatherings, the people in our community are certainly not focused upon the Lord. It has been a difficult time to witness and attendance has been low for both the adults and children in our services.

Elections take place in one week on June 23rd. Sundays have been days for political rallies/parties so we are ready for the election season to be behind us. Please pray that the current Prime Minister will be re-elected as the other party leans towards Communism and could threaten the peace and stability that Grenada has enjoyed for so many years.

The first week of July is the end of the current school year here in Grenada, but the students are taking their final exams now. Many of the parents want their children to focus on studying and are not allowing them to attend church. Our pre-school year will be extended again this year to make up for Covid delays. Graduation Day will be on July 21st.

On a high note, one of our former pre-schoolers has been coming to Junior Quiz Masters on Wednesday nights and is bringing her brother and three other children from the family who live in the lower portion of her house. We are studying Jonah, and they have worked hard to answer the questions on the quizzes. They have been a blessing as they are excited to come to church!

Summer is fast approaching, and the people here are looking forward to resuming many of their former activities including Carnival. We have resumed our Adult Fellowships on Friday nights and will be looking for other ways to boost attendance in the summer months. Encouraging those in our community to put Christ first will be challenging so please keep this ministry in your prayers.

Keeping our eyes on Jesus and on what has lasting value is not always easy for us as Christians and it is even more difficult for the lost to understand. My prayer is that this summer will be a time to concentrate on bringing the community to the Savior. Thank-you for being a part of the ministry here in Grenada.

Serving together with you to reach the children of Grenada,

Carrie Mathena
