Thank you for praying!

September/October - 2001

Dear Co-Laborers in Christ:

"For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind." II Timothy 1:7

The events of September eleventh have greatly affected us in Grenada too! Our mail service was discontinued for two weeks and stayed backed up for even longer. We had a team coming in October for a crusade that was cancelled. The crusade was to include a chalk artist, baptism, and dedication service for us and our new building. The Grenadians have no idea how big America is and feel like most of it was destroyed in the attacks. They have watched the news night and day and are afraid anthrax will reach Grenada, but God has not given us the spirit of fear. We need to keep on serving and trusting Him.

Our church family gave enough money to purchase thirteen pews for the new building. We were so excited when they were finished but we quickly filled them and have had to have three more made. Through your giving we have completely furnished the children's classrooms, nursery, and fellowship room. We are in need of about \$800.00 for a communion table, pulpit, and other furnishings for the sanctuary. Please continue to **pray and give**.

We have been adding on services and have been encouraged by a large number of teens that have started coming. Only one has been saved this time but he has influenced other teens to attend our services and has his family coming too.

Please remember our November crusade in your **prayers**. There are so many others in the village of Loretto that have not been saved and many who have not visited the church. A crusade is just what we need to encourage them in the things of the Lord. So often in Grenada people will attend a crusade even if they don't attend church regularly.

Please **pray, give, continue** on with the things of the Lord, and **consider** a mission trip to Grenada. Come and let us share with you all the things God is doing on this beautiful island.

In Christ,

The Mathena's
