Thank you for praying!

May/June - 2003

Dear Co-Laborers in Christ:

"Praying us with much intreaty that we would receive the gift, and take upon us the fellowship of the ministering to the saints."

11 Corinthians 8:4

Thank-you so much for your prayers and gifts as we seek to expand the ministry here in Loretto. The mission building team from Tennessee has come and gone. They were a tremendous help and blessing to us and our church family. They completed the wiring and plumbing, did some painting, started the tiling, witnessed, and handed out tracts in the surrounding villages. Two adults were saved as the team kept busy building the church physically and spiritually.

Little by little the addition is beginning to look like an apartment with additional classrooms for the church. We need about \$2,000.00 to complete the project and we will continue the work as funds are made available.

We had a tremendous Mother's Day service and were able to honour seventeen of our church children's moms. Also this time we had seven ask the Lord to save them.

The wicked Carnival season is just around the corner. Already people are making party plans and are hostile toward the Lord and His people. We especially covet your prayers for us and our church family this wicked time of year.

Continue to pray for Pastor Eoute from our sending church. They are in the middle of a building project and it will be months before he completely recovers from the surgeries.

In Christ,
