Thank you for praying!

September/October - 2003

Dear Co-Laborers in Christ:

"Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your request be made known unto God."
Philippians 4:6

God has accomplished so much in so very little time here in Loretto. We are truly thankful for all of His blessings and for you who have faithfully given your prayers and financial support.

We are settled in the apartment under the church and have moved the reading classes and Girl's class into the new area. The reading classes have grown from two classes to four classes. Everyone has been excited about the move and it has tremendously helped us minister to the people of Loretto.

Thankfully the 2003 Carnival season is behind us. Attendance has increased and five have asked the Lord to save them. We have also seen a dramatic increase in the Little Warriors Class (children up to seven years old).

On October 25th we celebrated Grenada's Liberation from the Cuban Communists in 1983. It is a day of Thanksgiving here on the Island. Grenada has so many things to be thankful for. So many good things came about because of the Cuban occupation and Liberation that the United States participated in. But those blessings are being forgotten as we see the Island being drawn toward the influence of Castro and China.

This is an election year in Grenada. **Please pray with us that Grenada will remain free.** The Communists party becomes more powerful each year.

In Christ,
