Thank you for praying!

March/April - 2004

Dear Co-Laborers in Christ:

"He sent his word, and healed them, and delivered them from their destructions."
Psalm 107:20

Our visitation program is going great. God is using the children of Loretto to proclaim His Word! We installed outdoor speakers on the top of our little truck. Special activities, meetings, and public services are announced by vehicles driving through the villages making their announcements and the Grenadians readily respond. So now we are putting this custom to work for the Lord. The church children pile in the back of the truck. We drive to certain areas and the children take turns making the announcements and inviting people to our services. Then the rest of the children hand out Gospel tracts or fliers. The Joyful Noise Band even played and sang one Saturday. We have been excited to see the response of the people and honour the Lord in this unusual way.

We have been busy preparing for our May Crusade. One of our supporting churches in Tennessee will share their Pastor with us to preach the crusade and Pat is planning a Children's Crusade for the same week. Two have already asked the Lord to save them and we are excited to see what the Lord has planned.

Thank you for allowing us to be your missionaries to Grenada. Please keep praying with us for the work here on this beautiful island.

In Christ,
