Thank you for praying!

September/October - 2006

Dear Co-Laborers in Christ:

"He sent his word, and healed them, and delivered them from their destructions."
Psalm 107:20

We are thankful God has sent us to carry His healing Word to the dear people of Grenada. Also we are thankful to all of you who support the ministry here with your prayers, gifts, and finances.

God's healing from the devastation of hurricane Ivan two years ago is still evident all around us. Some of our church children started school late as schools were still under construction. New homes are being built here in Loretto. Just this week a friend of ours had electricity restored to his church. He was excited to be able to have evening services again. Many of the farmers in our village are having to seek an alternative means of supporting their families. The damage to the agriculture has been a slow process of restoration.

Since school started many of our church children have returned to the village and we have been excited with lots of visitors. Many are children that are new to us but we have been especially encouraged by the adults that have been visiting on Sunday morning. Please pray with us for their salvation.

Robert was in need of God's healing and we thank you for your prayers. During services we were unaware of a light rain shower. As Robert was locking the gates he slipped on the wet steps and hit so hard at the bottom of the steps that he cracked two ribs. It seems the older you get the harder falls are on you. (Robert turned sixty years old this month!)

A dear friend went home to be with the Lord. If you visited here you probably remember him. Mr. Kenny sat on his porch and waved to every one who passed by. Years ago he fell and broke his neck and had a stroke. He got around by scooting on his back. Please remember his family in your prayers. Also, remember one of the families in our village that used to attend our church, Marvin, their son is in the hospital with cancer.

All around us we see people in need of God's healing power. Thank you for being co-laborers with us.

In Christ,
