Dear Pastor,

Thank you for your interest in missions, and especially for your support of Brother Robert Mathena. As you will note from the letters enclosed, Brother Mathena has lost support for a variety of reasons over the last several months. The Mathenas have done a commendable job in Grenada, and they continue to serve the Lord faithfully.

We all understand that things change, and sometimes it is necessary for a church to make adjustments. In rare occasions a missionary will find this repeating itself in a brief time period. Usually it will work out so that the support can be made up during furlough, but this is not always the case. Such is the situation with Brother Mathena.

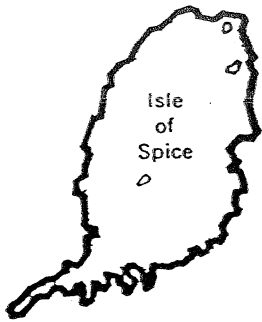

There are two options when the loss of support is critical. Either the missionary must return to the States to raise support, or make an appeal to make up enough of the loss to continue until furlough time. Brother Mathena does not wish to come home. It would be his sincere desire to remain with his responsibilities in Grenada. Will you please pray about helping to make up the needed support? If his supporting churches could each increase his support a little it would certainly help to meet the need.

Your kind consideration of this very important matter is appreciated.

In His Service,

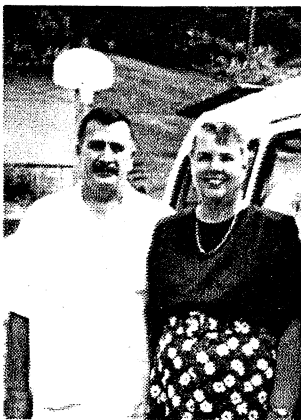

Danny A. Whetstone  
President

# Thank you for praying!

May - 2007

Dear Co-Laborers in Christ:

"if thou canst do any thing, have compassion on us, and help us." Mark 9:22<sub>b</sub>

Over the past several months we have experienced a decline in our monthly support and an increase in our expenses. This is due to loosing the support of several churches, an increase in our health insurance, and inflation due to hurricane Ivan. Altogether we need an increase of \$455.00 a month to remain on the mission field.

As your missionaries we have faithfully labored in Grenada for eighteen years. We have had over eight hundred professions of faith to the Glory of God, established an Independent Baptist Church in Grand Mal that is doing very well, and we are in the process of establishing a second church in the village of Loretto.

Please pray with us about the needed support. Also we are asking each of you to raise our monthly support by ten or twenty dollars to meet this financial need. Our desire is to remain on the field and continue the ministry uninterrupted.

Your faithful prayer and financial support is greatly appreciated. If you can help resolve this problem it would be a tremendous blessing and help to us and our church family.

In Christ,

*Robert & Pat Mathena*

Dear Pastor:

Robert & Pat Mathena serving faithfully in Grenada for the past 18 years have informed me that they have lost \$455 monthly support from a total of 9 different churches.

As their sending church I have observed their lives, their calling to Grenada and their ministry there. In Grenada they have established two churches and have seen over eight hundred professions of faith in our Lord Jesus Christ.

It has been suggested that if each of their supporting churches could increase their monthly support by \$10 to \$20 it would meet their need. May the Lord bless you as you prayerfully consider this request.

Sincerely in Christ

Dr. Norman Eoute
