# Thank you for praying!

May/June/and July - 2007

Dear Co-Laborers in Christ:

***"Bear Ye one another's burdens, and so fulfill the law of Christ."***  
**Galatians 6:2**

You have been tremendous burden bearers for us these past few months. We can't thank-you enough for your prayers and financial support that has enabled us to remain on the field and minister to the people of Loretto.

**IN MAY:** A mission team from Tennessee helped to bear our burdens by painting the outside of the church and they held a crusade. The church looks great inside and out. Outside they did an excellent job painting and inside the services were full and ten precious souls were saved.

**IN JUNE:** You began to respond to our financial burdens. Many of you gave special gifts to meet some of our immediate needs and five of our supporting churches have raised our monthly support. Please continue to pray with us for the balance of our monthly support needs. Also pray for the new Christians. In addition to the ten saved during the crusade we have had four saved in other services.

**IN JULY:** You helped bear some medical burdens. All the results of Pat's medical test are back. They came back negative for cancer with benign abnormalities. We will still have to keep a check on her but we are thankful for the good report. The island is preparing for the wicked carnival season and many of our church children are away on holiday. Please remember them in your prayers. It is discouraging how fast they forget the Lord and return to their wicked ways once they are away from the church.

In our last letter we asked you to bear many prayer burdens and we want to include some up-dates: **James** has had a relapse. He had to return to the hospital and is having trouble with his eye sight. **Mr. Aaron** died of stomach cancer. Please continue to pray for his family. **Jason** has ignored the Lord's dealing in his life and is in prison. This has worked in the hearts of his sisters. They are faithfully attending services again. We saved the best for last, **Carrie** is ready to start deputation and has included a letter with ours. We are anxious for her to return to Grenada and help bear our burdens.

In Christ,
