Thank you for praying!

January, February, March, and April - 2010

Dear Co-Laborers in Christ,

"A faithful man shall abound with blessings:"
Proverbs 28:20a

Together as we work and pray, there are many blessings that cause us to "rejoice and be glad in Him." Our small truck served us well, but with Carrie's arrival and a growing ministry, it soon became evident that we needed a larger vehicle. God blessed us with a good deal on a used van and through your giving this need has been met. Thank-you so much for your part in this blessing.

Pat and Carrie hosted a Mommy and Me Tea for the children in Carrie's Sunday School Class. Twenty-eight attended the tea. Several of the moms do not attend church, and it was a blessing to share the gospel with them.

Dry season brought three months of severe drought. During this time, several fires were started on the mountains surrounding us. Smoke filled the sky by day, and the mountains glowed at night. Firefighters were unable to reach these areas so the fires were left to burn themselves out. Several of our families were afraid for their homes, but God blessed and kept them safe.

The rainy season has started. Pop up showers and extreme humidity makes drying clothes a real challenge. The Lord blessed us with a special gift to construct a shelter to hang laundry. The area we used before is now Carrie's apartment.

Easter blessings abounded! Carrie's class acted out Palm Sunday and on Easter morning, the Church was full for our sunrise service and breakfast. Robert had the privilege of dedicating two babies to the Lord. The real blessing came this past Sunday when one of the dads returned to church with an amazing testimony. He had a near death experience which led him to receive Christ as his Savior. Please pray that he continues to be faithful to the Lord.

Truly the Lord is blessing the ministry here in Grenada, and we are happy to share these blessings with you!

In Christ,
