# Thank you for praying!

May-June-July-August 2010

Dear Co-Laborers in Christ,

***"But the word of God grew and multiplied." Acts 12:24***

As we entered the wicked Carnival season our desire to see God's Word "grow and multiply" in the hearts of the people of Loretto increased. Our ministry is expanding, and we have strived to teach, preach, and share God's Word.

Our "special" visitations have continued. We pass out invitations to church with a Bible message and a small gift to draw the lost to church and to our Savior. It is hard for people to turn down a free gift, and we are praying that soon they will receive the free gift of salvation.

This year we moved our annual bon-fire next to the road where everyone had to pass. Many stopped to listen or join in the songs. The entire village saw and heard the testimony of our church family.

Some of our other out-reaches were:

Our All-Night Girl's Class which was a great opportunity for the girls and ladies of our church to spend time in God's Word and fellowship together.

In Summer Reading Classes, we read stories with Christian values and lessons.

Scripture for School Supplies involved most of our church family. They memorized Psalm 34 this year and with Carrie's help, many of the children seven years and younger memorized six to twelve verses.

Carrie's pre-school is giving us another means to see God's Word "grow and multiply." School has started, and she has eight students. What a tremendous way to minister to the village we live in and to touch young lives with the gospel.

Truly our desire is to see God's Word "grow and multiply." May God bless you as we work together to reach the lost.

In Christ,

*The Mathena's*
