Thank you for praying!

May/June 2014

Dear Co-Laborers in Christ,

"Ah Lord God! behold, thou hast made the heaven and the earth by thy great power and stretched out arm, and there is nothing too hard for thee:"

Jeremiah 32:17

We found the perfect van to end our transportation problems but not enough money came in to make the purchase. Can you imagine our disappointment and then our surprise when we found out that the price on the van had been reduced. The new price was the exact amount of money we had reminding us that "nothing is too hard" for the Lord.

Practice for the Pre-school Graduation and End of the Year Program was challenging. Illness, holidays, and an unfocused three year old class made learning their parts difficult. Through prayer, we relied on God's "great power" to be patient and to encourage the children. In the end, the program came together and Graduation Day proved to be an exciting day for everyone.

With His "great power and stretched out arm", God is still working to save the lost and strengthen the Christians. In a Sunday morning service, three were saved and two others expressed a desire to follow the Lord in Believer's Baptism. In a culture where commitment is a problem, God proved that "nothing is too hard" for Him.

In Christ,
