# Thank you for praying!

September/October 2014

Dear Co-Laborers in Christ,

**"Who forgiveth all thine iniquities; who healeth all thy diseases;" Psalm 103:3**

We have had a unique opportunity to minister to those in our community:

For the past three months, all people could talk about was the mosquito fever epidemic that hit Grenada. In our community, six of the elderly that we ministered to over the years died.. We visited many others who were sick and delivered items to help relieve their suffering. Those affected by the fever will continue to suffer with recurring symptoms for up to three years.

With all the sickness, we had a rough start to the new school year. For weeks, we did not have all the students present. This made their adjustment to pre-school more difficult. In addition, Ms. Theresa, who cooks and cleans for the school, has undergone surgery for cancer. Please pray for Ms. Theresa, our students, and their families.

Church services continued despite low attendance. We are thankful that we serve a God who can meet both spiritual and physical needs. Your prayers are important as we continue to minister here in Grenada.

In Christ,

*The Mathena's*
