Dear Co-Laborers in Christ,

"Give thanks unto the LORD, call upon his name, make known his deeds among the people." I Chronicles 16:8

We are thankful for the many opportunities to minister here in the "Isle of Spice." In an effort to increase our children's ministries:

1. We began a "Treasure Seekers Class" on Sunday morning to include children up to eleven years old. This gives us a chance to minister to some of the children who only attend Sunday morning services.
2. Our Animal Lovers Class has been moved to Sunday night in order to start a "Sticker Club."
3. Sticker Club is on Wednesday nights and, it is a unique way to introduce the children to doctrinal terms so they will have a better understanding of God's Word. They are also learning the Books of the Bible so that they are able to find the Scriptures quickly. The children were each given a sticker book and every week they add stickers to it for attendance, memory work, and visitors.

Another reason to give thanks is for the souls that have been saved. In a Sunday morning service, two ladies asked the Lord to save them, and Carrie rejoiced to lead a seventeen year old girl to the Savior.

One of our supporting churches took up a penny offering during their Vacation Bible School. We are thankful for their tremendous gift and had fun buying needed items for the church and pre-school. We also purchased Christmas gifts for the church children.

It is a blessing to "make known His deeds." Truly God deserves all the glory, praise, and thanks for His wonderful works in Grenada.

In Christ,
