November/December 2015

Dear Co-Laborers in Christ,

"My son, give me thine heart....,

It is the time of year when people look at themselves and determine to make changes in the New Year. In November, three ladies and a teenage boy took a good look at themselves and asked the Lord to save them.

On the last day of pre-school before Christmas break, one of the moms told us she wanted to start coming to our church. With a new baby at home, she had gotten away from attending church and knew it was time to start making time for the Lord again.

For the holidays, we had a Children's Christmas Crusade. We averaged forty children each night and were pleased with all the adults who attended and helped with the services. Each night we emphasized the need to "Keep Christ in Christmas" and to give Him all our heart. We are burdened as many of the children who attended the crusade still have not given their hearts to the Lord.

.... and let thine eyes observe my ways." Proverbs 23:26

Remembering God's great gifts to us and seeking to "observe" His ways, we baked cookies and breads to give to the elderly and shut-ins in our community. We also gave gifts to those who attended our Christmas morning service as we celebrated God's Great Gift to us, His Son.

With the start of the New Year, our goal as a church family is to "Grow in 2016." In order to "observe" his ways, our church family is going to concentrate on growing in worship, Bible knowledge, prayer, service, giving, and soul winning.

We are entering the New Year with new goals and anxiously awaiting God's blessings as we give Him our heart and observe His ways.

In Christ,

The Mathena's
